

## VIDA International Brokerage Event

**VIDA International brokerage Event** is focused on matchmaking and networking among SME's interested in VIDA voucher. The VIDA brokerage event will consist of various informative presentations related to the food sector challenges aiming for resource efficiency; including presentations of challenge owners identified by VIDA clusters; as well as the presentation of VIDA Voucher system and support.

It will take place in the framework of the official program of SMAGUA International exhibition on water and irrigation 2019, in Zaragoza (Spain). [SMAGUA](#) is an international exhibition that celebrates its 24<sup>th</sup> edition in February 2019. This event will gather together regional stakeholders as well as international clusters linked to VIDA and its members interested in presenting collaborative projects through VIDA funding system.
