³ See Annex 1 in 'VIDA terms and conditions'

Section 3 Project Description

3.1. Project

Please provide a brief description of the planned project to be funded
(max. 3500 characters).

3.2. Solution

Technical excellence, feasibility and viability
(max. 3500 characters)

3.2.1 TRL Level: What is the TRL level of your technology? (6 or above, 5 points)

3.2.2 Demo Test Scope: Please submit a test scope, which sets out clear objectives and timescales (5 points)

3.2.3 Test Outline: Please provide a summary of your test in the selected challenge, pointing out the main key performance indicators and success criteria (10 points).

3.2.4 Prospective users: Please specify the benefits, beneficiaries, end-user(s), and end-use(s) being created by your innovation (5 points)

3.2.5 Health & Safety concerns: What are the specific H&R concerns and considerations? (5 points)

3.2.6 Risks: Please describe key risks associated with the test and how they will be managed and mitigated (10 points)

3.3. Innovation

Please describe the innovativeness of your solution

Describe the innovativeness by pointing out the differences of your solution compared to the state of the art. In addition, describe the role of key enabling technologies (KET) for your solution. (max. 3500 characters)

3.3.1 Innovativeness of the envisaged solution in the target sector (Vida Scope): Please provide details on the innovative elements of your project in relation with the selected challenge (15 points)

3.3.2 Innovativeness from a value chain perspective: Please specify what makes this technology different from BAT and what benefit could be provided to the food value-chain (15 points)

3.4. Impacts

Please describe the concrete expected project results

Please explain project results like job creation, economic, social impact, etc. (max. 3500 characters)

3.4.1 Economic Impact: Specify the expected impact in terms of competitiveness and growth of the business partners in the consortium, measured in terms of turnover and job creation. (10 points)

3.4.2 Social Impact: Please describe the social benefits of your project (10 points)

3.4.3 Environmental Impact: Please describe the environmental benefits of your project (10 points)

Section 4 Resources

4.1. Work Plan

Please provide a coherent overview of tasks to be implemented within the project. Indicate a number of hours required for the implementation of each task and describe its key outcomes and the timing of the outcome (planned start / end date).

Task	Activity	Involved Partners	Outcome	Timescale	
				Start	End
1					
2					
3					
4					
5					
6					
7					

4.2. Milestones

Please design up to 3 milestones for your project. 'Milestone' means control point in the action that helps you to chart progress. Milestones may correspond to the completion of key outcomes.

No.	Milestone	Estimated Date	Means of Verification
1			
2			
3			

4.3. Budget allocation

Please provide an overview of costs per partner (related to the tasks). Please review the VIDA document “VIDA Terms and Conditions” to check for the sort of costs and eligibility criteria.

Please note that the following table needs to be filled in by each partner separately. Each SME participating in the project can apply for a grant of max. € 60,000.

Participant	Task	Activity	Sort of Cost	Budget	
				EUR	Requested Funding
1					
2					
3					
4					
5					
6					
7					

(*) VAT (Value added tax): deductible VAT is not considered as an eligible cost. Whereas non-deductible and non-identifiable VAT is considered as an eligible cost.

Section 5 Cross-cutting themes

The following questionnaire is not part of the assessment of the Demonstration Voucher. However, its completion is required, as the information provided will be used for statistical purposes of the project life.

5.1. Gender Equality

VIDA project seeks a gender balance. Therefore, applicants to the Innovation Support Voucher scheme are invited to take all measures to promote equal opportunities between men and women in the implementation of the action.

Are there any female participants involved in the project activity? YES NO

If YES, how many females are involved (number) []

5.2. Cross-sectoral and cross-border linkages

VIDA fosters the cross-sectoral and cross-border innovativeness. Therefore, applicants to the Innovation Voucher Support scheme are invited to take all measures to apply these elements to their project action.

Are the activities of your project connected with other sectors (i.e. food, water, energy, Key Enabling Technologies) than yours? YES NO

Is/are your project partner/s from different countries than yours? YES NO

Section 6 Compliance Declaration

Vida terms and conditions*

I understand and agree with VIDA terms and conditions

Privacy declaration

With submitting the application form you give your consent that your project idea will be shared with the VIDA partners. All partners have signed a confidentiality agreement and will treat your information accordingly.

I understand and agree with VIDA privacy declaration

Financial Stability

I confirm that the company is not “in difficulty” as defined at 2.1 of the Community Guidelines and State Aid for Rescuing and Restructuring Firms in Difficulty (2004/C22/02) at the date of this declaration.
