VIDA Voucher SCHEMES – Webinar#01, 02, 03

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement n° 77795. This document reflects only the author's view and the Commission is not responsible for any use that may be made of the information it contains.

WEBINAR#01. Innovation Support Voucher (ISV) and Validation Voucher (VV)

- *What is the application process for the Innovation Support Voucher i.e. Scope and Time Investment?*

The ISV scheme provides **in-kind and/or financial support to SME** to get access to **external knowledge and expertise** towards a resource efficient food production. Time period for investments cannot exceed 6 months.

- *SME and service provider must be from different countries or could be from the same country?*

They could be from the same country or from different countries, for both ISV and VV.

- *When is the application documents ready for the vouchers?*

First Quarter of 2019.

- *A member of Baltic NET cluster from Poland is eligible to be an applicant?*

An SME from Poland that is a member of Baltic NET is eligible to be an applicant.

- *A member of Baltic NET Cluster from Poland is eligible to be a service provider to be paid by sub-contract?*

Service Providers from all over the EU are eligible costs as long as the applicant is an SME which is a member of a VIDA cluster or is headquartered in a VIDA Region.

- *Is there already a date for the second webinar; regarding demonstration projects?*

Webinar's calendar for the first quarter of 2019 will be available at the end of December through www.vidaproject.eu

- *Please, could you give more details about VIDA events as they are eligible from Innovation vouchers?*

VIDA Brokerage events will take place in different parts of Europe and its aim is to boost networking and matchmaking among SME to participate in Demonstration vouchers (which require the participation of 2 or more SME). First one will take place in Zaragoza, Spain, during SMAGUA water exhibition on February 5th 2019.

WEBINAR#02. Demonstration Voucher (DV): Breweries

- *When are the calls going to be launched?*

First trimester 2019.

WEBINAR#03. Demonstration Voucher (DV): Meat processing industry

- *Will the presentations be available?*

Yes, they will be able through VIDA's website www.vidaproject.eu. Each of them on its corresponding section.

- *@Enereau What are your expectations in terms of collaboration for VIDA Projects – Demo Vouchers?*

Enereau is looking for testing facilities interesting in nutrients recovery in different parts of Europe.
